Are you an employer in the Hospitality sector?

Would you benefit from support with your recruitment plans?

The Hospitality sector has been significantly impacted by the COVID pandemic and the restrictions that have been in place over this period of time.

To ensure we are offering the best possible service and support to the Hospitality sector in Cumbria, we have established a localised Hospitality HUB, where employers can make direct contact via email to discuss jobcentre services and recruitment support available in more detail.

The following link shows the range of services we can offer employers:

[How Jobcentre Plus can help employers - GOV.UK \(www.gov.uk\)](https://www.gov.uk/how-jobcentre-plus-can-help-employers)

At the Department for Work and Pensions, we are committed to supporting employers with their recruitment needs.

If this is something that would be of benefit to you and your business, or if you would like to discuss your recruitment needs and the jobcentre support available further, please don't hesitate to contact the Cumbria Hospitality HUB, as follows:

CONTACT US AT:

DWP Cumbria Hospitality HUB cumbria.hospitality@dwp.gov.uk

Please state the nearest town to your business, in the subject field.

Once we have received your email, a member of our team will contact you.

Kind Regards,
Cumbria Hospitality HUB Team
